Dual Commercial

SENIOR ACTRESS
In real life, I wouldn't let either one of the greasy fuckers touch my wheelchair!

DIRECTOR
Well, this is more than real life for us. Let's get going! Fatty runs your wheelchair towards the "cliff"--which we put in later. You'll go off it then, but it's a dummy.

SENIOR ACTRESS
He's the despicable Republican?

DIRECTOR
Yeah. Then we roll you back here and the wild-eyed Democarat careens you...

SENIOR ACTRESS
I get it. The same shit for both cruds.

DIRECTOR
Cost cutting. And always a camera on your face, so terror!

SENIOR ACTRESS
Will come naturally.

DIRECTOR
Won't be enough, so we'll sit you in my director's chair with a Budweiser and you'll grimace for ten minutes or so while I phone both sponsors.

SENIOR ACTRESS
Piece of cake!
